Description :

Prsentation de l'diteurWhen posing an individual subject, posing can be a challenge, but when posing two subjects, the project is twice as complex. Not only must both people look good and feel comfortable, but their relationship must be communicated to the viewer. 500 Poses for Photographing Couples is a visual sourcebook designed to address these problems. Filled with images by some of the world's most accomplished photographers, it provides a resource for photographers seeking inspiration for their own work.Prsentation de l'diteurWhen posing an individual subject, posing can be a challenge, but when posing two subjects, the project is twice as complex.
