Description :

Prsentation de l'diteurIt's summertime in the French Pyrenees and the mountain commune of Fogas is en fte.

But Christian Dupuy has no time for the frivolity of les vacances. For a start, he's just been struck by the arrows of l'amour and doesn't have a clue how to approach the woman who's stolen his heart. Then there is the not-so-small matter of local politics. With moves afoot to wipe his community from the map, Christian has to enter the fray once more to save the place that he cherishes. In the midst of a sweltering heatwave and with the residents of Fogas at each other's throats over their future, the lovesick and embattled deputy mayor must decide if all really is fair in love and war.
