Description :

Prsentation de l'diteurAll fly tiers have a desire to improve their levels of skill, yet many find themselves stuck in their advancement. You can become a better tier by truly thinking about the what, why, and how of your tying. Jim Cramer shares with you his sixty-plus years of tying experience, and thoughts about materials and techniques that can help take your tying to a new level. You will be challenged to grow beyond the paint by numbers approach that may have limited your progress. Your rewards will be a noticeable increase in the quality and uniformity of your flies, and an increase in the speed of your tying.Prsentation de l'diteurAll fly tiers have a desire to improve their levels of skill, yet many find themselves stuck in their advancement.
