Description : Description du produitIn her novels, Norways Queen of Crime, Karin Fossum evokes a world that is terrifyingly familiar. In Dont Look Back, we are introduced to the tough, ethical Inspector Seger.

Prsentation de l'diteurMeet Inspector Seger: smart and enigmatic, tough but fair. At the foot of the imposing Kollen Mountain lies a small, idyllic village, where neighbors know neighbors and children play happily in the streets. But when the body of a teenage girl is found by the lake at the mountaintop, the town's tranquility is shattered forever. Annie was strong, intelligent, and loved by everyone. What went so terribly wrong?

Doggedly, yet subtly, Inspector Seger uncovers layer upon layer of distrust and lies beneath the town's seemingly perfect faade. Critically acclaimed across Europe, Karin Fossum's Inspector Seger novels are masterfully constructed, psychologically convincing, and compulsively readable. They evoke a world that is

at once profoundly disturbing and terrifyingly familiar.
