HeatJessie has kept the identity of her son Oliver's father a secret for years. She's stunned when she discovers that the man in question, actor Toby Gillespie, has just moved in next door. The truth's about to come out. One glance at Oliver, and a little mental arithmetic, and Toby has the situation sussed. Meeting the son he never knew he had is the shock of a lifetime. It's a shock, too, for Toby's wife, the beautiful Deborah, though she seems to take it in her stride. Would Deborah be so relaxed if she knew just how close Toby wants to get to the mother of his firstborn? As the attraction between them flares up again, Jessie just
