## Description :

Prsentation de l'diteur"Legacy is set in post Independent India, and weaves together the stories of Darshan and Anita, ambitious rural teenagers from Bihar; Darshans father Shankar, an RSS supporter from a freedom fighter family; and Subhash, the son of the protagonists.Darshan, proud resident of an exotic village, is inspired to leave his adventurous hostel life to join the student movement of 1975 under the firebrand Loknayak Jayaprakash Narayan. Grounded in an Anglo Indian village during the repressive Emergency, he falls in love with his free-spirited senior Anita. Wading through teenage love and exciting college adventures of 1970s Delhi, they forsake education on JPs death to explore Bihar. Disgusted by the traumatic Sikh riots and saddened by his fathers death, Darshan finds a guide in a swami rumoured to be Netaji Subhash Chandra

Bose. While fate turns Anita into a Naxal strategist, Darshan, seeking solace, turns into an acclaimed mystery healer. The old love sparks again while violent communal events keep shocking India. Sadly, Anita forsakes the world of Maoist violence and hypocritical civil society, sending their five-year-old son Subhash away. The estranged son, now an adult, tries to fathom his parents lives and unfulfilled dreams while an exhausted yet optimistic Darshan entrusts the baton of social revolution to the next generation. Legacy shows how the chaotic story of 1960s to 1990s India gave rise to real heroes, though flawed in their own ways. While we keep looking for ways to improve the lives of our fellow beings, the boundary between a hero and a criminal often fades. Brief reviews

The inspiring and exciting story of India. An incredible debut. Sudipto Das, Author, The Ekkos Clan A love story waving between agony and delight with potent characters of post-independence India. Dr. Arbind Prasad, I.A.S (Retd.) Director General, FICCI
