Description :

Prsentation de l'diteurRaised within the confines of a system that has done nothing but provide him with pain, Alex Hamilton's frustration and anger are completely natural--and inherently dangerous.Since his parents split up, Alex has been constantly running from foster homes and institutions, yearning to be with his father, a broken man who cannot give his son the home he desperately needs. The only constant in Alex's life is no-good, criminally-minded peers, who are all too ready to plant illegal ideas in an intelligent mind.

Bunker writes, "His unique potential would develop into unique destructiveness."Prsentation de l'diteurRaised within the confines of a system that has done nothing but provide him with pain, Alex Hamilton's frustration and anger are completely natural--and inherently dangerous.Since his parents split up, Alex has been constantly running from foster homes and institutions, yearning to be with his father, a broken
