Kingpin of Los Angeles! And the Battle for LA's soul claims a life -- one that will be felt throughout the Marvel Universe, all the way to Avengers Tower! Biographie de l'auteur Brian Michael Bendis is an award winning comics creator, one of the most successful writers working in mainstream comics, and undoubtedly Marvel's biggest writer. For the last eleven years, Brian's books have consistently sat on the top of the nationwide comic and graphic novel sales charts. His work at Marvel includes House of M, New Avengers, Ultimate Spider-Man, Siege, and many more. Alex Maleev first teamed with Bendis on Todd McFarlane's Sam and Twitch series in 2000-2001 before they were recruited for Daredevil. In 2006, Maleev finished his run with Bendis in Daredevil and planned a collaboration with the writer on a new ongoing Spider-Woman series. Bendis and Maleev collaborated once again on the four part Halo: Uprising miniseries from Marvel Comics. Bendis and Maleev are currently working on a creator owned comic book named Scarlet.
