Description :

Prsentation de l'diteur"SEX, DEATH, AND NOISY NEIGHBOURS"A killer has come to town. The victims are connected; each pointing to the next, as if in answer to the question: Who is The One? Is it Peter Reynolds: mild-mannered office clerk pouring petrol through his neighbours letterbox in the middle of the night? Is it Wayne Dolan: a man whose sexual fantasies about his neighbour spiral into dangerous obsession when he learns of her secret life as a dominatrix? Or is it Gaz: leader of three friends who love nothing more than sex, weed and partying? All women are easy prey for his charms. All except Sally. And the one who doesnt want him, is the one he has to have whether she likes it or not. Mick Nixon has to find the

connection, because people are disappearing - and if he and Sally are ever going to share more than just lunch, hed better hurry up, or they could be next. A dark, funny, and at times horrific ride, One Among the Sleepless is a thriller set just below the surface of suburban existence. Youll laugh, youll cry, youll throw it through your neighbours window tied to a house brick! A tale thats harder to put down than a delicious bad habit. Walt Kolenda.
