Description :

Prsentation de l'diteurCollects The Wonderful Wizard of Oz (2008) #1-8. When Kansas farm girl Dorothy flies away to the magical Land of Oz, she fatally flattens a Wicked Witch and is hailed by the Munchkin people as a great sorceress. But all she really wants to know is: how does she get home?.frATTENTION : La reliure de ce livre est "Rough Cut" c'est pourquoi les bords sont mal coupes. Ce n'est pas quelque sorte de dfaut de fabrication, c'est plutt une sorte de reliure utilise pour donner un aspect ancien aux livres..comIn spite of the fact that L. Frank Baum's The Wonderful Wizard of Oz (1900) is one of the most popular stories in America, relatively few people have actually read the book. It's well worth the effort! Young readers expecting rainbows, Munchkin songs, and wicked witches with burning brooms will instead find a complex

country populated with mocking Hammerhead men, dainty people made out of china, and fierce monsters with heads of tigers and bodies of bears. Through the fantastic land of Oz ramble Dorothy and her trusty companions--Toto, the Scarecrow, the Tin Woodman, and the Lion--each seeking his or her heart's desire. Although the premise of the book and the 1939 movie is the same, the book--as so often is the case--delivers a far more subtle and intricate plot. A child's imagination will run rampant in these pages as one extraordinary creature after another leads the motley crew into strange and magical adventures. (All ages) --

Emilie Coulter
