Prsentation de l'diteurThe third mass market paperback original in our brand-new Star Wars spin-off series, THE NEW JEDI ORDER - which launched in hardcover in October 1999 with VECTOR PRIME. HERO'S TRIAL is the first of a two-part adventure called Agents of Chaos, featuring Han Solo and is written by the co-author of the bestselling Robotech novels. Merciless attacks by an invincible alien have left the New Republic reeling. Dozens of worlds have succumbed to occupation or annihilation, and even the Jedi

Knights have tasted defeat. In these darkest of times, the noble Chewbacca is laid to rest, having died as heroically as he lived - and a grief-stricken Han Solo is left to fit the pieces of his shattered life back together before he loses everything: friends, family and faith. Refusing help from Leia or Luke, Han becomes the loner he once was, seeking to escape the pain of his partner's death in adventure and revenge.
