Par William McIlvanney : Strange Loyalties (Laidlaw 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strange Loyalties (Laidlaw 3):

Description :

Prsentation de l'diteurWhen his brother dies stepping out in front of a car, Detective Jack Laidlaw is determined to find out what really happened. With corrosive wit, Laidlaw relates an emotional quest through Glasgow's underworld, and into the past. He discovers as much about himself as the loved brother he has lost, in a search which leads to a shattering climax.Revue de presseThis extraordinary and beautifully written novelsets a high standard among contemporary thrillers. Like its detective hero, Strange Loyalties is captivating and unforgettable.Publishers WeeklyThe Laidlaw trilogy is one of the finest things in modern fiction, in the Chandler and Simenon class.SpectatorStarts on the streets and ends up in the soul.The Daily TelegraphA grimly effective novel like Chandlers The Long Goodbye about the detectives loyalty to the

dead. Kirkus sAllan Guthrie probably comes closest to McIlvanney in his mix of humor and compassion, but even that top-flight crime writer doesnt do it with the same concentration.
