Description :

Prsentation de l'diteurReturn to the golden age of adventure with this gorgeously wrought, action-packed, globetrotting tale that combines the bravura storytelling of Kipling with the irresistible, illustrative style of Hergs Adventures of Tintin.Behind the staid public rooms of an old world gentlemens club operates a more mysterious organization: The Explorers Guild, a clandestine group of adventurers who bravely journey to those places in which light gives way to shadow and reason is usurped by myth. The secrets they seek are hidden in mountain ranges and lost in deserts, buried in the ocean floor and lodged deep in polar ice. The aim of The Explorers Guild: to discover the mysteries that lie beyond the boundaries of the known world.

This beautifully produced combination graphic novel and adventure tale, set against the backdrop of World War I, concerns the Guilds quest to find the golden city of Buddhist myth. The search will take them from the Polar North to the Mongolian deserts, through the underground canals of Asia to deep inside the Himalayas, before the fabled city finally divulges its secrets and the globe-spanning journey plays out to its startling conclusion. With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end, (Kirkus s), The Explorers Guild is perfect for fans of the adventures of J.J. Abrams and C.S. Lewis. Revue de presse A paean to old-fashioned tales of dashing, daredevilish derring-do. (Entertainment Weekly) "With its colorful cast, exotic locales, and intertwined fates, the book slowly addicts. A rousing throwback whose spinning plates never stop, even at the end." (Kirkus) "The Explorers Guild is a rare publishing opportunity, powered by the creative passion of one of the worlds true storytelling masters, Kevin Costner."
