Description :

Prsentation de l'diteurThanks to Meryl Starrauthor of the best-selling Home Organizing Workbook and go-to gal for Real Simple, InStyle, and a host of premier media outletsorganizing those buried desks, overstuffed handbags, and mysterious-yet-important papers wedged in the glove box is only a book away. The Personal Organizing Workbook teaches the fundamentals of managing time and clutter, offering tips, quizzes, and checklists to help create a personalized organization system that will really see some use (unlike that pricey PDA now gathering dust). It also outlines skills for sticky situations such as declining a post on the PTA or being honest with a time-hogging friend. Under Meryl's guidance, dreams and priorities finally get their due, old friends are seen more than once a year, and Christmas cards beat Santa to the door. And because being organized means staying organized, there's a special section dedicated to getting back on track. Packed with information and brimming with gorgeous photography, The Personal Organizing Workbook will inspire readers to take control of their time, their stuff, and their lives.Prsentation de l'diteurThanks to Meryl Starrauthor of the best-selling Home Organizing Workbook and go-to gal for Real Simple, InStyle, and a host of premier media outletsorganizing those buried desks, overstuffed handbags, and mysterious-yet-
