Description :

Prsentation de l'diteurNEW YORK TIMES bestselling author Neil Gaiman's transcendent series SANDMAN is often hailed as the definitive Vertigo title and one of the finest achievements in graphic storytelling. Gaiman created an unforgettable tale of the forces that exist beyond life and death by weaving ancient mythology, folklore and fairy tales with his own distinct narrative vision. A groundbreaking and award-winning epic that masterfully creates a modern myth of dark fantasy, the Sandman series tells the tale of Morpheus, the King of Dreams. As a being of infinite power, Morpheus has ruled over the realm of the dreaming since the beginning of time. But now after a tragic fall, Morpheus is no more. In the touching and final chapter of this fantastical legend, friends, siblings, enemies and lovers gather to mourn and honor the

fallen Lord. Realistically depicting the feelings of loss and despair associated with death, **THE SANDMAN: THE WAKE** is an emotional tale of remembrance and rebirth. In the last chapter of the SANDMAN saga, **THE WAKE** collects issues #70-75.
